# Obedience

It is not what qualifies me as His

It is what I do **BECAUSE** I already am

He is calling us to living a life that is continually experiencing God's redemptive nature and revealing that nature to a lost and dying world

So much is waiting for us on the other side of obedience

Intimacy  Freedom  Calling

The apparent need for Christ followers to be liked, to be dignified, to appear to have it all together, and to live a life of ease and comfort has undermined our journey to wholeness and reduced us to spineless living. We were made for more and the world around us is waiting for us to rise up and be the Children of God because that is what we are
